To the Libertarian National Committee, Region 8, and any others it may concern,

It is with deep regret that I am writing to inform you of my decision to resign from the position of Region 8 Representative on the Libertarian National Committee, effective immediately.

I do not believe I am able to well represent the interests of the region, and I feel it is best for me to step down and allow for a new Representative to better do so.

It has been an immense pleasure serving with many of you on the LNC and in representing Region 8. I am proud of what we have accomplished prior to this term, during this year, and I stand to be proud of all the party accomplishes in the future. I am not going anywhere in the fight for Liberty, but it is time for my fight to change course. I look forward to working with many of you in the future. We have a lot to do.

As I sent to Mr. Bowen, if there is any way I can be of assistance in transitioning over the role to him, please let me know.

Always in Liberty,

Tucker Coburn
